

Fredek Boros

Financial Advisor

Mr. Boros, a highly motivated and goal-driven financial advisor with more than 13 years of success in business development, aggressive market share growth, and financial leadership expertise, joined Meteorius in 2015. He graduated with a degree in finance and management from the University of Debrecen in Hungary between 1999 and 2003. He pursued her Master of Science in International Finance at the University of Salzburg Business School from 2003 to 2005. He has worked with internal teams to develop and validate project plans. In May 2015 he joined Meteorius as a financial advisor and has developed new and efficient processes for entering and executing trading in client accounts and many activities for the team.
